

Riding Profile

Please answer the following questions with as much detail as possible. The answers will help us shape the campaign, but the process of doing this research will also help you familiarize yourself with the issues in your home riding and work riding.

1. What riding do you live in?
2. What riding do you work in?
3. What are the demographics of your ridings (population, urban/rural/suburban, age, race, gender)?
4. List five surrounding ridings close to where you live and/or work:
5. List the candidates running in:
 - a. Your home riding:
 - b. Your work riding:
6. Please summarize the key issues as identified by the candidates:
7. Can you think of any issues that are different from those that came up during the provincial election?
8. Please summarize the news in the riding(s) about the election so far, or general political events:
9. Please summarize the issues being discussed at your work related to the election:
10. Are there any major announcements in either of your ridings (e.g., service closures)? If so, please describe. If not, are there any issues you think will come up during the election?
