Last Name: Dombroskie First Name: Ashley

Local #: 049 Region #: 2 Bargaining Unit: Valley Manor Inc

Nursing/Health-Care Professional Work Experience:

I have been an RPN for 12 years. In those 12 years I have primarily chosen a career in long term care. I have casually worked in both the hospital and clinic settings as well.

Negotiating Experience (ONA and Other):

I have been on the negotiation team of my bargaining unit since becoming a member. The first negotiation team I was a part of was in 2014. I have since assisted in negotiating the past 6 collective agreements.

Other Activity at ONA bargaining unit level and/or provincial level:

I am the BUP at Valley Manor in rural Barry's Bay. I am also the health and safety chair, employment equity representative chair, fascial advisory representative, grievance representative chairperson, labour management representative chairperson, negotiation representative chairperson, occupational health and safety representative, professional responsibility and workload representative chairperson, and the safe return to work and accommodations representative chairperson.

Participation in ONA Education Workshops:

Over the 12 years as an ONA member I have attended many ONA educational workshops. I have attended several health and safety workshop and the health and safety caucus', LEAP education, Human rights and equity caucus', homes contract interpretation workshops, Biennial events and PLMs to name a few.

Any additional preparation and experience in labour relations:

I attended the CFNU conference in 2019 and will be attending this year's conference in June. I have also attended the leadership summit.
