Campaign Details

Please remember that the ONA Group/Provincial Negotiating Teams Election Policy allows a candidate to request the sending of up to two emails to all local leaders using the Association's email system and two emails to ONA membership. These emails will be sent after the Election Team has reviewed them for compliance. The submission deadlines for these communications are included in the call for nominations.

There should be no other emails sent using the provincially sponsored ONA database or any ONA contact lists by either a candidate or anyone acting on behalf of or in support of a candidate. (Note: if consent is provided then a candidate may communicate to a leader's individual ONA email address).

Please direct any questions or inquiries about the election process to the Chief Electoral Officer at chiefelectoralofficer@ona.org.

Thank you.
