Ontario Health atHome Provincial Negotiating Team Candidate Article

Name: Cary Krentz-Kerr RN

Nominee For: Region 3 Full-Time Representative

With many years on the Executive Team for COPE Local 550 as Chief Steward along with holding positions as a Steward and on the Joint Health and Safety Committee, I would like to be involved in helping our professional staff receive a collective agreement that we deserve. I was fortunate to have been educated and trained by our previous union, especially in understanding our recent collective agreements and their terms and benefits. My involvement with this new round of Bargaining is essential as I can truly benefit us with a more positive future of our with my previous experience and knowledge. It would be a great honor for me to be involved and to do something so important for us all at this unique time. Please vote for me so I can help shape our future and so what we need to get the best agreement we possibly can.
