#### Nursing/Health-Care Professional Work Experience:

I have been an RN for 30 years. I started in 2 retirement homes then as a visiting Nurse for 10 years and then 18 years with CCAC/ TCLHIN/ HCCSS/ OHAH. I have enjoyed being in the union and learning about employment law and practices through the union trainings and enjoyed my time representing the union up until 2020.

#### Negotiating Experience (ONA and Other):

I have not sat on the Negotiating Team yet but feel my extensive knowledge of the current and past collective agreements are a huge asset. I hope that my experience will be recognized as a benefit with helping our Local move forward in the direction it deserves.

#### Additional ONA experience at the Bargaining Unit or provincial level:

Being an ONA member since 2026, I have not represented ONA. I held many positions in our past union, COPE Local 550 as Chief Steward, Steward and JHSC for many years.

#### Participation in ONA education and/or workshops:

I have had many COPE Local 550 trainings with the local and also provincial workshops and conferences in the past few years.

**Additional preparation and/or experience in labour relations:**

Involvement in many local grievances and as Chief Steward and JHSC, I have a good understanding of the collective agreement and union processes. I would like to be involved with this negotiating team so I can use my valuable training and experience to support our local in getting the best collective agreement possible.
