ARTICLE 1 – PURPOSE AND RECOGNITION

1.1 The general purpose of this Agreement is to establish mutually satisfactory employment relations between the Employer and the Association. It is recognized that Nurses wish to work co-operatively with the Employer to provide the best possible public health services.

1.2 The Employer recognizes the Association as the exclusive bargaining agent for all the Registered Nurses and Temporary Class Nurses employed by the Employer save and except Assistant Supervisors and those above the rank of Assistant Supervisor.

All references to Officers, Representatives and Committee Members in this Agreement shall be deemed to mean Officers, Representatives and Committee Members of the duly chartered Local 19, Ontario Nurses' Association.

ARTICLE 2 – REPRESENTATION AND ASSOCIATION SECURITY

(c) The Committee shall meet for the purposes of discussing issues relating to the work place not covered by the Collective Agreement that affect the parties or Employees covered by the Collective Agreement.

- (d) The Association recognizes that Members of the Management-Association Committee have their regular duties to perform in connection with their employment, and that only such reasonable time as is necessary shall be spent during working hours to attend such Committee meetings. Members of the Committee shall not suffer loss of regular straight time pay for attendance at such meetings.
- (e) One of the functions of this Management-Association Committee will be the examination of matters relating to Public Health Nursing, it being recognized that the final decision on policy matters remains with the Employer through its General Manager as advised by the Medical Officer of Health.

2.2 The Employer will recognize a Negotiating Committee of three (3) Association Representatives.

2.3 The Employer will pay the Association Representatives at their respective salaries for all regular time lost in processing grievances, negotiating renewal of this Agreement and while attending meetings with the Employer. The Association understands and agrees that each Representative is employed to perform full-time work for the Employer and will not leave their work without permission of their Supervisor. Meetings outside of regular working hours will be held by mutual consent as to time and place.

2.4 The Employer and the Association agree that there shall be no discrimination on account of race, ancestry, place of origin, creed, colour, ethnic origin, citizenship, sex, sexual orientation, gender identity, gender expression, age, marital status, family status or disability practised against any Nurse.

The Corporation and the Association agree that neither of them nor their respective Representatives will contravene the applicable provisions of the Ontario Human Rights Code and/or *Employment Standards Act*.

2.5 The Employer shall deduct from the pay due to each Nurse who is covered by this Agreement, in the first pay period of each month, a sum equal to regular monthly Association dues for each Nurse. In the case of new Employees, such deductions shall commence on the first regular deduction date in which an Employee receives a full pay. The Association shall notify the Employer in writing of the amount of such dues from time to time. The Employer shall send to the Association once each month its cheque for the dues deducted under this clause and a list of names and social insurance numbers of all Employees from whom the deductions have been made. The Association shall indemnify and save the Employer harmless with respect to all dues so deducted and remitted.

- 3.3 No Employee shall be required or permitted to make any written or verbal agreement which may conflict with the terms of this Agreement.

- 3.4 The Employer agrees not to contract out work regularly performed by members of the Bargaining Unit, where such contracting out directly results in the layoff of a Bargaining Unit member. In the event that an Employee leaves the employ of the Employer, and the Employer decides to fill the vacant position, and the Employer is not able to hire a replacement Nurse, then that work may be contracted out until a suitable Nurse can be hired. The Employer will not unduly delay the search for a satisfactory replacement

Employees who are interested in the reassignment should make their requests for consideration in writing via the applicant tracking system. Upon completion of the temporary vacancy, the Employee will be reinstated to their former position unless the position has been discontinued in which case the Employee shall be given a comparable job.

ARTICLE 6 – SALARIES AND PROFESSIONAL CLASSIFICATIONS

- 6.1 (a) The salaries and professional classifications are set forth in Schedule A and remain in effect for the duration of this Agreement.

- (c) If a paid holiday falls or is observed during an Employee's vacation period, they shall be paid for the holiday and that day shall be included as part of their vacation. (e.g. Monday is a holiday and a week's vacation is taken which would total to 4 days of vacation used and one paid holiday.)
- (d) In order to qualify for Holiday Pay an Employee must work their full scheduled shift on each of the working days immediately preceding and immediately following the day on which the Holiday is being observed. 9.1 Sick Leave

(a) Previous Sick Day Accumulations

- (i) All sick leave days accumulated to the credit of a Nurse as at August 31, 1989 are frozen. A notice to each Nurse showing their total accumulation at this date will be provided.

(b) Nurses Receiving Workplace Safety Insurance

A Nurse prevented from performing their regular work with the Employer on account of an occupational accident that is recognized by the Workplace Safety & Insurance Board as compensable within the meaning of the *Workplace Safety and Insurance Act*, may receive, at the Nurse's option the difference between the amount payable by the Workplace Safety and Insurance Board and the

- (ii) A Nurse who is receiving L.T.D. benefits may elect to "top-up" their benefit payments to eight five percent (85%) of their wages by using any disability benefits payable.

- (b) Mileage payments shall be calculated based upon the most direct routes between assignments.
- (c) Car allowance will be based on the distance between the regular work location to the first assignment of the day. Where the first assignment of the day is less kilometres than the above, car allowance will be based on actual kilometre driven. For purposes of car allowance, a casual nurse will be assigned a regular work location on the date of hire.
- (d) When an Employee, at the completion of their shift, travels from an assigned work location other than their regularly assigned office to

their residence they may claim only the actual mileage driven from that location in accordance with (b) above.
