- 1.02 It is recognized that the parties wish to work together to secure the best possible nursing care and health protection for residents.
- 1.03 The Employer undertakes that it will not enter into any other agreement or contract with those employees for whom the Union has bargaining rights either individually or collectively which will conflict with any of the provisions of this Agreement.

ARTICLE 2 – SCOPE & DEFINITIONS

- 2.01 ***The Employer recognizes the Ontario Nurses' Association as the bargaining agent of all Registered and Graduate Nurses at AgeCare Pine Grove in the City of Woodbridge, save and except the Director of Care, Retirement Home Nursing Supervisor and any persons above the Director of Care.***
- 2.02 (a) A full-time employee shall mean an employee covered by this Agreement who is committed to and regularly works the full work period of ***seventy-five (75) hours bi-weekly***, exclusive of overtime.
- (b) A regular part-time employee is one who is committed to and regularly works less than the full prescribed bi-weekly hours of work.
- (c) A casual part-time employee means an employee who is called to work on a call-in basis, but who does not work a regular schedule, or does so only for a specified period. Such employee has the option of refusing work when it is made available to them, however, it is also understood that a casual part-time employee cannot unreasonably or consistently refuse to work shifts.
- 2.03 Whenever the feminine pronoun is used in this agreement, it includes the masculine and non-binary pronoun, where the context so requires and vice-versa. Where the singular is used, it may also be deemed to mean the plural and vice-versa.
- 2.04 **Work of the Bargaining Unit**
- (a) In order to protect the standard of nursing care, the Employer shall not contract out the work normally performed by members of this bargaining unit except:

- i) For purposes of instruction,
 - ii) In the event of an emergency situation,
 - iii) When performing developmental or experimental work, or
 - iv) When employees are not available due to an employee not reporting for work as scheduled or not being available for work.
- (b) Reassignment to other employees of work normally performed by members of the bargaining unit shall not result in the termination, layoff or reduction in hours of any member of the bargaining unit.
 - (c) When it is decided to not fill a position following an employee's resignation, the Home will provide the rationale in writing for this decision to the Union. The Union may request a meeting to make representations on this matter.

2.05 Minimum Staffing

The Employer agrees to employ sufficient registered staff and health care aides/Personal Support Workers to meet the staffing needs that may be set from time to time by statute and/or regulation. In the event that there is insufficient staffing to meet this undertaking, the Employer will post vacancies so that any unmet care undertaking will be satisfied.

- 2.06 (a) The Employer will assign at least the same number of total bargaining unit RN hours that are equal to those hours that were scheduled in the last week ending prior to June 30, 2009. For clarity, this includes existing vacancies.
- (b) In the event the Employer cannot meet their ongoing obligation for scheduled RN hours in part (a) above, it shall so notify the Union and fully disclose the reasons thereof.
- (c) If the failure to staff is a legitimate recruitment issue, there shall be no violation of this Agreement. The Employer will make reasonable efforts to recruit a replacement and will provide the Union with an outline of recruitment activities.
- (d) Further, if there is a reduction in beds, occupancy levels or CMI or its equivalent below the levels in effect as of June 30, 2009, a reduction in the complement shall not constitute a breach of this Agreement, as long as the reduction is proportionate.
- (e) If there is any other reason for the failure to staff in accordance with this article, the Union and Employer will attempt to find a resolution and if unable to do so, the matter may be referred to Arbitration.

- (f) The Arbitrator/Arbitration Board will have authority to determine whether the reduction in staffing was appropriate and shall have jurisdiction to award an appropriate remedy.

- 2.09 All references to officers, representatives and committee members of the Union in this Agreement shall be deemed to mean officers, representatives and committee members of the bargaining unit who are employed by the Employer.
- 2.10 A registered nurse is a nurse who holds a Certificate of Registration with the College of Nurses of Ontario in accordance with the *Regulated Health Professions Act*, and the *Nursing Act*.

ARTICLE 7 – UNION SECURITY

- 7.01 The Employer shall deduct monthly from the pay due to each employee who is covered by this Agreement a sum equal to the monthly Union dues of each such employee. Where an employee has no earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has earnings, within that month. The Union shall notify the Employer in writing of the amount of such dues from time to time. The Employer will send to the Union its cheque for the dues so deducted in the month following the month in which the dues are deducted. When arrears or adjustments are submitted retroactively, the dues month and an explanation will accompany any such dues.
- 7.02 The Employer shall provide the Union with a list showing the first and last names and Social Insurance Numbers of all employees from whom deductions have been made. The report will identify the name of the facility and the month from which the dues are deducted. The Employer will also identify job classification (where the bargaining unit includes classifications, employees paid less than RNs) and status (i.e., full-time, part-time) of the employees, all terminations, newly hired employees (including start date, where the existing system allows for the information without cost), and employees on Leaves of Absence. On a quarterly basis, the Home will also provide the members' current addresses and phone numbers, shown on the Employer's personnel records. The Employer will endeavour to provide information in electronic format if the Employer has the technology.

The Union may forward any questions with respect to individual employees in writing (or e-mail) to the Administrator (or designate). The Employer will respond to such requests with any information it has which is readily available, within two weeks.
- 7.03 The Employer shall provide each employee with a T4 Supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is or becomes readily available through the Employer's payroll system.
- 7.04 The Union shall indemnify and save the Employer harmless with respect to dues so deducted and remitted.

ARTICLE 8 – GRIEVANCE AND ARBITRATION PROCEDURE

- 8.01 The parties to this agreement believe it is important to adjust complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint informally with the Director of Care or designate at the first opportunity.
- 8.02 In all steps of this grievance procedure an aggrieved employee, if they so desire may be accompanied by or represented by their Union Representative. If a Union Representative is not available, ONA shall appoint a designate as representative. At Step 1 of the grievance procedure a Representative of the Ontario Nurses' Association may be present at the request of either party.
- 8.03 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, the employee or Union Representative will bring it to the attention of the immediate supervisor to settle such differences within ten (10) days of the occurrence.

Step No. 1

If further action is to be taken, then within ten (10) days of the discussion, the employee, who may request the assistance of their Union Representative and/or Labour Relations Officer, shall submit the written grievance to the Administrator or designate. A meeting will be held between the parties within ten (10) days. The Administrator shall give a written decision within ten (10) days of the meeting to the Bargaining Unit President or their designate with a copy to the Labour Relations Officer.

Step No. 2

Should the Administrator fail to render their decision or failing settlement of any grievance under the foregoing procedure, including any questions as to whether a matter is arbitrable, the grievance may be referred to arbitration by either party. If no written notice of intent to submit the matter for arbitration is received within ten (10) days after the decision under Step No. 1 is received, the grievance shall be deemed to have been settled or abandoned.

- 8.04 A written grievance will indicate the nature of the grievance and the remedy sought by the grievor. Union grievances shall be set out on the Union grievance form. Alternately, the parties may agree to an electronic version of this form and a process for signing.
- 8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time limit(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be

submitted within the various time limits specified in this Agreement, unless mutually extended, it shall be considered to have been settled or abandoned.

8.06 Saturday, Sunday and designated paid holidays shall not be counted in determining the time within which any action is to be taken or completed under the grievance procedure.

8.07 Group Grievance

Where a number of employees have identical grievances, and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Administrator or their designate within ten (10) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 Discharge Grievance

- (a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance. The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (e) An employee who becomes a parent, and who has been employed for at least thirteen (13) weeks immediately preceding the date the leave begins, shall be entitled to parental leave.
- (f) Parental leave must begin no later than sixty-three (63) weeks after the day the child is born or comes into the custody, care and control of the parent for the first time. For employees on pregnancy leave, parental leave will begin immediately after pregnancy leave expires. Parental leave shall be granted for up to sixty-one (61) weeks in duration if the employee also took pregnancy leave and sixty-three (63) weeks in duration if they did not.
- (g) The employee shall give the Employer two (2) weeks' written notice of the date the leave is to begin unless exempt under the *Employment Standards Act*. Parental leave ends sixty-one (61) weeks after it began if the employee also took pregnancy leave and sixty-three (63) weeks after it began if the employee did not or on an earlier day if the employee gives the Employer at least four (4) weeks' written notice of that day.
- (h) An employee who is on parenting leave as provided under this Agreement, who has completed five (5) months of continuous service and has applied for and is in receipt of Employment Insurance parental benefits pursuant to the *Employment Insurance Act* shall be paid a supplemental employment benefit. That benefit will be equivalent to the difference between seventy-five percent (75%) of their regular weekly earnings (which for part-time employees shall include percentage-in-lieu) and the sum of their weekly Employment Insurance benefits and any other earnings. Such payment shall commence following receipt by the Employer of the employee's initial confirmation of Employment Insurance payment (or more frequently where the payment changes) as proof that they are in receipt of Employment Insurance parental benefits and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks. The employee's regular weekly earnings shall be determined by multiplying their regular hourly rate on their last day worked prior to the commencement of

the leave times their normal weekly hours. The employee will endeavour to provide initial confirmation of Employment Insurance payment (or more frequently where the payment changes) within two (2) weeks of receipt of the employee's EI benefit. The normal weekly hours for an employee working less than seventy-five (75) hours bi-weekly shall be calculated by using the same period used for calculation of the Employment Insurance benefit.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

Where an employee elects to receive parental leave benefits pursuant to Section 12(3)(b)(ii) of the *Employment Insurance Act*, the amount of any Supplemental Unemployment Benefit payable by the Employer will be no greater than what would have been payable had the employee elected to receive the parental leave benefit pursuant to Section 12(3)(b)(i) of the *Employment Insurance Act*.

- (i) For the purposes of parental leave, the provisions under (a) and (c) shall also apply.

11.06 Jury and Witness Duty

An employee required to serve on jury duty, or as a witness in a case in which the Crown is a party, or as a witness at an inquest, or as a witness in a case arising out of their employment, or as a witness at a hearing of the College of Nurses of Ontario, shall not lose regular pay because of such attendance, provided that the employee:

- (a) Shall notify the Director of Care, as soon as possible, when required to serve under any of the above circumstances.
- (b) Presents proof of service requiring their attendance.
- (c) Deposits with the Employer an amount equal to the jury duty attendance fees received by the employee in any above cases but not any expenses paid by the employee and received from the authorities for necessary travel, accommodations and meals.
- (d) Will normally come to work during those scheduled hours of the day shift that they are not required to attend court. In the event that an employee is scheduled to the afternoon shift, they shall not be required to attend court and then report for duty the same day.
- (e) Will not be required to work on the night shift prior to such duty. Where the employee's presence is required in court past 1700 hours,

they shall not be required to attend work for their night shift commencing later that day.

- (f) Where the Home requires an employee to attend any meetings in preparation for a case or legal proceedings or as a result of a compliance inspection which either arises from an employee's employment with the Home or otherwise involves the Home, the Home will make every reasonable effort to schedule such meetings at the Home during the employee's regularly scheduled hours of work. If the employee is required to attend such meetings outside of their regularly scheduled hours, the employee shall be paid for all hours spent in such meetings in accordance with Articles 15 and 16.

11.07 Employees seeking to be appointed by the Province as classifiers, MOHLTC Inspectors or other secondments shall have their applications co-signed by the Employer. Subject to operational requirements employees offered such assignments by the Province will be granted leave without pay. On the basis that the Employer will be fully reimbursed for any such leave by the Ministry of Health and Long-Term Care or the LHIN, the Employer will maintain the employee's regular straight time wages and will provide full accumulation of seniority and service and as well as all other benefits under the Collective Agreement. If such leave/secondment is not fully funded by the Ministry of Health and Long-Term Care or the LHIN, it shall be without pay and subject to the effect of absence language.

11.08 Family Medical Leave

- (a) An employee is entitled to family medical leave in accordance with the provisions of the *Employment Standards Act*.
- (b) An employee who is on Family Medical Leave shall continue to accumulate seniority and service and the Home will continue to pay its share of the premiums of the subsidized employee benefits, including pension (if permitted by the Plan and matched by the employee) in which the employee is participating during the leave.
- (c) Subject to any changes in an employee's status which would have occurred had they not been on Family Medical Leave, the employee shall be reinstated to their former position.

11.09 Military Leave

An employee will be granted unpaid Military Leave in accordance with the *Employment Standards Act*. The employee will give as much notice as is reasonably possible and will provide a copy of the Military Notice when received.

11.10 The Home shall seek the Union's agreement if it wishes to establish secondment arrangements. Such agreement shall not be unreasonably

denied. The terms and conditions will be established by agreement of the parties.

An employee, who is seconded to another Employer, for a period not greater than one (1) year, shall not suffer any loss of seniority, service or benefits for the duration of the secondment.

Notwithstanding Article 2.04, the parties also agree that a Home may allow an employee from another Employer to be seconded to the Home for a period not greater than one (1) year. It is understood that this employee remains the employee of the sending Employer and is subject to the terms and conditions of employment of that Employer. If the seconded employee is not covered by an ONA Collective Agreement, the Home will ensure that the Union receives the equivalent of the dues remittance for all such employees.

11.11 Effect of Absence

Where any leave of absence without pay exceeds thirty (30) continuous calendar days, the following shall apply:

- (a) The Employer shall pay its share of the health and welfare benefits for the calendar month in which the leave commences and in the month immediately following.
- (b) If the leave of absence exceeds thirty (30) consecutive calendar days, benefit coverage may be continued by the employee, provided that they pay the total cost of the premiums to the Employer for each monthly period in excess of the thirty (30) consecutive calendar days leave of absence except as modified by (a).
- (c) Benefits will accrue from the date of return to employment following such leave of absence.
- (d) The employee's anniversary date for salary increases shall be adjusted by the period of time in excess of the thirty (30) continuous calendar days, and the new anniversary date shall prevail thereafter.
- (e) Seniority, service, vacation credits or any other benefits under any provision of the Collective Agreement or elsewhere will not accumulate but will remain fixed at the amount held at the commencement of the leave.
- (f) Notwithstanding the above, the Employer shall continue to pay its share of the premium for the benefit plans for employees who are on paid leave of absence or WSIB, and will continue to pay its share of the premium for the benefit plans in accordance with the *Employment Standards Act* for employees who are on pregnancy/parental leave (currently a maximum of eighteen (18) months) or family medical leave (currently a maximum of twenty-eight (28) weeks in a fifty-two

(52) week period) or emergency leave (currently a maximum of three (3) unpaid sick leave days for personal illness, three (3) unpaid family responsibility leave days for family member illness or other urgent matters, and two (2) unpaid bereavement leave days per year). It is understood that the obligation of the Employer to pay its share of the health and welfare benefits while an employee is on WSIB shall continue only so long as the employment relationship continues or thirty months, whichever occurs first unless prohibited by legislation.

For purposes of this provision, it is understood and agreed that any absence under Article 14.01 shall be considered a leave with pay.

- (g) It is understood that an employee who chooses to continue benefits under (a), (b) or (f) above shall provide the Employer with payment for the amount required on or before the first day of the month in which payment is due.
- (h) Notwithstanding 11.11 (e), when an employee is on an educational leave under Article 11.03 above, they will continue to accumulate seniority for up to one (1) academic year. The employee will have the option of remaining in the benefits plans provided they pay the total cost of such benefit premiums subject to clause (a) above. Seniority for part-time will be based on average hours over the last twenty-six (26) weeks prior to Leave of Absence.
- (i) In cases of absences for pregnancy and parental leave under the *Employment Standards Act*, seniority and service shall accrue for the duration of the leave and the Employer will maintain its share of the insured benefit premiums provided the employee issues a cheque to the Employer covering their portion of the premiums each month in advance.

The Union and the Employer agree to abide by the *Human Rights Code*.

11.12 Domestic Violence Leave

Domestic or Sexual Violence Leave will be granted in accordance with the *Employment Standards Act* as amended from time to time.

Canada Day (July 1)
Four (4) Float Holidays

Labour Day
Thanksgiving Day
Christmas Day (December 25)

Premium pay for time worked will be paid, as required by the Collective Agreement, on the holiday named in the Collective Agreement. A lieu day off will be the substitute day in accordance with Article 12.04.

Honouring such request shall be subject to the operational requirements of the Home. Where a full-time employee is required to work the substitute day, they will receive a lieu day off with pay.

12.02 Holiday pay for full-time employees will be computed on the basis of the number of hours the employee would otherwise work had there been no holiday at their regular rate of pay.

12.03 (a) In order to be eligible for a paid holiday, a full-time employee must have worked their last scheduled shift immediately preceding, and their first scheduled shift immediately following, the holiday; provided an employee shall not lose holiday pay if they are absent on any such days, and such absence is a scheduled day off, is a vacation day, is excused by the Home, or is the result of an illness or injury confirmed by a physician's certificate, if requested, or is on approved leave of absence. Employees shall not be entitled to holidays with pay which fall during the period of Pregnancy, Parental, WSIB, or unpaid leave of absence over thirty (30) days.

A full-time employee who is absent as a result of legitimate illness or accident which commenced within a calendar month of the date of the holiday will be eligible for the holiday(s), to a maximum of two (2) holidays in any period of illness.

Full-time employees who are not required to work on any of the foregoing holidays shall be given the day off with pay.

- (b) An otherwise eligible full-time employee, who is scheduled to work on one of the designated holidays but does not report to work and work as scheduled, shall forfeit their holiday pay for the particular holiday unless absent for a bona fide reason.

12.04 An employee who is required to work on any of the above-named holidays shall be paid at the rate of time and one-half (1½) their regular straight time rate of pay for all hours worked on such holiday. In addition, a full-time employee will receive a lieu day off with pay in the amount of their regular straight time hourly rate of pay times the number of hours in a normal daily shift.

12.05 A shift that begins or ends during the twenty-four (24) hour period on the day of the above holiday, where the majority of hours worked falls within the holiday, shall be deemed to be work performed on the holiday for the full period of the shift.

12.06 (a) If a paid holiday falls during a full-time employee's vacation, their vacation shall be extended accordingly, unless the employee and the Employer agree to schedule a different day off with pay on a mutually agreeable day within a period of eight (8) weeks after the holiday, providing the employee qualifies for the holiday pay.

- (b) If a paid holiday falls on a full-time employee's regular day off, another day off with pay shall be scheduled on a mutually agreeable day within a period of eight (8) weeks after the holiday, providing the employee qualifies for the holiday pay.

12.08 *The Employer will endeavour to arrange the paid holidays to be divided equitably among the employees in the Home.*

13.02 All employees who are regularly scheduled seventy-five (75) hours on a bi-weekly basis, and whose regular hours of work are other than the standard workday (i.e. extended tours), shall receive vacations with pay based on length of full-time continuous service consistent with the entitlement levels in Article 13.01 above. The weeks of vacation will be converted into hours for the purpose of employees using only full day allotments in accordance with their normal non-standard workday, except where used at the employee's request to top up a paid holiday.

13.03 All employees who are regularly scheduled less than seventy-five (75) hours on a bi-weekly basis, shall be entitled to vacation pay based upon the applicable percentage of their gross earnings provided in accordance with the vacation entitlement for employees who are scheduled seventy-five (75) hours on a bi-weekly basis on the following basis:

NOTE: For those employers not currently providing, effective the 2025 vacation year.

13.06 Part-time employees must take at least two (2) calendar weeks of vacation per year in blocks of not less than one (1) week, in accordance with the vacation scheduling provisions of the Collective Agreement. Absent the

employee's co-operation in this regard, the Employer will schedule the employee's two (2) weeks of vacation.

13.07 An employee who leaves the employ of the Home for any reason shall be entitled to receive any unpaid vacation pay which has accrued to them to the date of their separation, it being understood and agreed that the employee will provide at least two (2) weeks' notice of termination.

13.08 Vacations – Interruption

Vacation requests made after the posting of the vacation schedule shall be determined by the Director of Resident Care or designate having due regard to the proper operation of the Home on a first come first served basis, not on the basis of seniority.

(b) ***Employees may request pursuant to Article 13.08 to have the weekend off prior to or following their vacation. The employer***

will endeavour to schedule such request subject to the following:

- i) Where the weekend off is granted and the employee was otherwise scheduled to work on those days, such extra days will be deemed to be vacation days;*

 - iii) The weekend off being requested must be contiguous with (i.e., consecutive with) the employee's original vacation.*

- (d) For clarity, full-time employees accrue vacation (in accordance with Article 13.01) in one year, and take said paid vacation in the next vacation year***

ARTICLE 14 – DISABILITY INCOME PROTECTION PLAN

14.01 Income protection is payable when a full-time employee is absent from work due to legitimate personal illness or injury which is not compensable under the *Workplace Safety and Insurance Act*. It is understood that payment of income protection is for the sole and only purpose of protecting employees against the loss of income during time of such illness. Seniority and service will accrue, and the Employer shall continue to pay its share of the premium for the benefit plans during the period of the income protection noted in this provision.

- (a)** The Employer will pay seventy percent (70%) of the full-time employees straight-time scheduled wages lost as a result of legitimate personal illness or injury up to the end of the first week of such illness or injury.
- (b)** The employee shall apply for E.I. sick leave for weeks 2 through 16 of any legitimate illness or injury. The Employer will top-up these benefits to seventy percent (70%) of straight time wages. In the event the employee does not qualify for E.I. Sick Leave benefits by reason of lack of adequate contributions, they shall receive seventy percent (70%) of their straight time wages for weeks 2 through 16 of any legitimate illness or injury but shall not be eligible for benefits under (c) below. The employee will endeavour to provide initial confirmation of Employment Insurance payment (or more frequently where the payment changes) within two (2) weeks of receipt of the employee's EI benefit.
- (c)** The Employer will pay one hundred percent (100%) of the billed premium for full-time employees for a weekly indemnity plan covering legitimate personal illness or injury for weeks 17 through 30 of such illness or injury. Payment under weekly indemnity will be seventy percent (70%) of scheduled straight-time wages lost.

It is understood that this benefit commences like all other insurances, after the third month of employment.

14.02 The parties agree that sub-article 14.01 (a) will be applied in the following manner during the Employer self-insured period:

- (a) For any absence for which sick pay is claimed, an employee must provide the Employer with a certificate, in the form attached hereto as Schedule A, signed by the employee and confirming that personal illness or injury has prevented the employee's attendance at work on those days.
- (b) The employee will be required to provide the Employer with a medical certificate as set out in Schedule B, confirming that the employee's personal illness or injury prevented the employee's attendance at work, if:
 - i) The employee has been absent for at least three consecutively scheduled shifts, and the Employer has requested such certificate, or
 - ii) The employee has an established pattern of absenteeism, and the Employer has given the employee written notice that they must provide such a certificate.
- (c) The employee will be required to provide the Employer with a medical certificate as set out in Schedule B, confirming that the employee's personal illness or injury prevented the employee's attendance at work, if the Employer requests that the employee provide a certificate from their physician (or nurse practitioner or midwife, in the context of the employee's pregnancy) that they are sufficiently recovered from the personal illness which caused their absence and is capable of performing their former duties and responsibilities; the employee's reinstatement after sick leave will be conditional on them supplying such certificate.
- (d) The Employer reserves the right to require a medical certificate at the Employer's expense in special circumstances, such as:
 - i) When the information provided in the standard form is insufficient to substantiate illness or injury, or
 - ii) When additional information is required to establish that the employee is medically able to return to work with or without accommodation, or
 - iii) Under other circumstances, subject to a reasonable rationale.

It is understood that the Employer is not entitled to request or receive a medical diagnosis, except or unless it is required by a statutory or regulatory body or organization but is entitled to request and receive a prognosis concerning the employee's medical condition.

- 14.03 If the WSIB does not approve a claim for benefits, the employee may apply for benefits under Article 14.01 notwithstanding the delay inherent in awaiting the ruling from WSIB and notwithstanding any procedural rules of any insurance carrier administering the benefit.
- 14.04 An employee who will be absent on the afternoon or night shift due to personal illness must notify the Employer at least three (3) hours prior to the commencement of the shift unless impossible. An employee who will be absent on the day shift due to personal illness must notify the Employer at least one and one-half (1½) hours prior to the commencement of the shift unless impossible. Late notice does not cause forfeiture of sick pay benefits.
- 14.05 During any illness or injury the employee will notify the Employer of their intention to return to work as far in advance as possible.
- 14.06 (a) An employee may be required to produce proof of disabling illness or injury in the form of a medical certificate from a qualified medical practitioner for any absence of three (3) days or more.

- 15.02 The normal daily shift shall consist of seven and one-half (7½) consecutive hours, exclusive of a one-half (½) hour unpaid meal period. Employees shall be entitled to a fifteen (15) minute paid break during each half of the normal daily shift, at a time designated by the Employer.
- 15.03 Employees required for reporting purposes shall remain at work for a period of up to fifteen (15) minutes which shall be unpaid. Should the reporting time extend beyond fifteen (15) minutes however, the entire period shall be considered overtime for the purposes of payment.
- 15.04 Requests for change in posted work schedules must be submitted in writing and co-signed by the employee willing to exchange days off or shifts and are subject to the discretion of the Administrator or their designate. In any event, it is understood that such a change initiated by the employee and

approved by the Employer shall not result in overtime compensation or payment or any other claims on the Employer by any employee under the terms of this Agreement.

15.05 An employee will be paid for actual hours worked during a shift that is impacted by daylight savings time. Overtime will not be paid for additional hours worked during a twenty-four (24) hour period either as a result of a change-over to daylight saving from standard time or vice versa.

15.06 In the event that a meal period is interrupted requiring an employee to attend to a work-related problem, then the balance of the unused meal period will be taken within two (2) hours of the interruption. If the employee is unable to reschedule such time, they shall be paid time and one-half (1½) their regular straight time hourly rate for all time worked in excess of their normal daily hours, in accordance with Article 16.01.

15.07 Extended Tours/Hybrid Schedules

The Employer and the Union may agree to implement extended tours or hybrid schedule (mix of extended and normal tours). For clarity, a hybrid schedule may include extended tours on weekends and normal tours during the week. The following will apply:

- (a) Each facility/unit must have sixty-six and two thirds' percent (66⅔%) agreement of the full-time and part-time employees who work in the facility/unit.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (b) The Extended Tour/Hybrid Schedule may be cancelled by either party on giving ten (10) calendar weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the cancellation.

Extended tours may be discontinued by the Union in any facility/unit when sixty percent (60%) of the full-time and part-time employees in the facility/unit so indicate by secret ballot to the Union.

- (c) With the exception of the specific variations set forth in this Article, all other conditions and terms of the Collective Agreement and Appendices shall remain in full force and effect.

(d) Hours of Work

- i) Where employees are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.
 - ii) The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid mealtime. For hybrid schedules, there will be scheduled normal daily tours of seven and one-half (7½) hours and 11.25 consecutive hours per day.
 - iii) Employees working an extended tour shall be entitled, subject to the exigencies of resident care, to paid relief periods during the tour of a total of forty-five (45) minutes. For hybrid schedules, there will also be shifts that provide for relief periods in accordance with Article 15.02.
 - iv) Scheduling issues will be resolved at the local level.
 - v) Where the Union and the Employer have agreed to or agree to an extended daily tour or hybrid schedule that differs from the normal daily extended tour, the proportion of unpaid time to hours of work shall maintain the same ratio as set out in paragraph ii) and iii) of this Article.
- (e) Payment for bereavement leave is based on 11.25 hours for extended tours. For hybrid schedules, the payment for bereavement leave shall be based on the length of scheduled shift.
 - (f) Payment for paid holidays for full-time employees is based on the equivalent to the 7.5-hour entitlement. For clarity, payment for lieu days as a result of a paid holiday for full-time employees is paid at 7.5 hours.
 - (g) Shift and weekend premiums as per Article 16.07 will be paid for the same hours as applied to seven and one half (7.5) hour tours, the intention being that the total amount of shift or weekend premium will not change because of the move to extended tours or hybrid schedules.
 - (h) Overtime premium as set out in Article 16.01 shall be paid for all hours paid in excess of 11.25 hours on a scheduled extended tour or 75 hours bi-weekly averaged over the duration of a six (6) week schedule.

For a hybrid schedule, the overtime premium as set out in Article 16.01 shall be paid for all hours in excess of the scheduled shift length on that day or 75 hours bi-weekly averaged over the duration

of the scheduling period unless otherwise agreed between the local parties.

- (i) Shift exchanges will be in accordance with Article 15.04.
- (j) Should the Employer refuse to grant a request under this Article, it shall provide to the Union its reasons orally.
- (k) 4 on/5 off

Where the Union and the Employer agree to implement an extended tour arrangement in accordance with the above provisions, the parties can further agree to specific scheduling language related to a "4 On/5 Off" schedule that will be negotiated locally by the Home and the Union subject to the following principles:

- i) There shall be an initial trial period as negotiated by the local parties prior to the implementation of a permanent schedule.
- ii) All "4 on/5 off" schedules will be done on the basis that each full-time employee will be scheduled for 1,950 hours per calendar year, unless Articles 2.02 (a) or 15.08 applies.
- iii) All other scheduling issues (e.g., scheduling of paid holidays, weekends off, Christmas time off, etc.) shall be negotiated by the local parties.

15.08 Individual Special Circumstance Arrangements

Notwithstanding Article 2.02, the Home and the Union may agree in certain circumstances, to adjust the schedule of an individual full-time employee who normally works seventy-five (75) hours bi-weekly, to enable an average bi-weekly work assignment of sixty (60) to seventy-five (75) hours.

- (a) Such an arrangement shall be established by mutual agreement of the Home and the Union and the employee affected. The parties agree that the arrangement applies to an individual, not to a position. The parties will agree to the scheduling provisions that will apply to the employee including that no additional shifts will be scheduled for employees working Individual Special Circumstances Arrangements.
- (b) The parties shall determine the introduction of a special circumstance arrangement. Issues related to vacation, paid holidays and benefit coverage will be determined by the Home and the Union. The employee will retain full-time status, including but not limited to seniority and service.
- (c) Any party may discontinue the special circumstance arrangement with notice as determined within the agreement. In the event that the employee affected resigns, transfers, is laid off or terminated, the

arrangement will be deemed to be discontinued immediately, unless the parties mutually agree otherwise.

- (d) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.

15.09 Innovative Scheduling

Schedules which are inconsistent with the Collective Agreement provisions may be developed in order to improve quality of working life, support continuity of resident care, ensure adequate staffing resources, and support cost-efficiency. The parties agree that such innovative schedules may be determined locally by the Home and the Union subject to the following principles:

- (a) Such schedules shall be established by mutual agreement of the Home and the Union.
- (b) These schedules may pertain to full-time and/or part-time employees.
- (c) The introduction of such schedules and trial periods, if any, shall be determined by the local parties. Such schedules may be discontinued by either party with notice as determined through local negotiations.
- (d) Upon written agreement of the Home and the Union, the parties may agree to amend Collective Agreement provisions to accommodate any innovative unit schedules.
- (e) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.
- (f) It is understood and agreed that these arrangements can be utilized for temporary job postings for seasonal coverage (e.g., weekend workers, etc.).

15.10 Four on, Two off Schedule

In an effort to maximize full-time employment opportunities, the local parties may agree to a "four on, two off" innovative schedule, subject to the following principles:

- (a) The introduction of such schedules and trial periods, if any, shall be determined by the local parties.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (b) The implementation of such schedules shall be established only by mutual agreement of the Employer and the Union.
- (c) Notwithstanding the definition for full-time employee under Article 2.02, employees who participate in this schedule will normally be scheduled for thirty-five (35) hours per week on average and will be considered a full-time employee for all purposes of the Collective Agreement.
- (d)
 - i) Notwithstanding Article 16.01, for the purposes of bi-weekly overtime, the normal weekly full-time hours shall remain at seventy-five (75) hours per bi-weekly average over a six (6) week period. In each bi-weekly pay period the employee will be paid for all hours worked. At the end of the six (6) week period, entitlement for bi-weekly overtime will be calculated and paid.
 - ii) Notwithstanding Article 16.01, for the purposes of daily overtime, the normal daily hours shall remain at seven and a half (7.5) hours per day. In each bi-weekly pay period the employee will be paid for all hours worked including daily overtime, if any.
- (e) For the purposes of vacation entitlement, the current Collective Agreement provisions shall apply using thirty-five (35) hours per week.
- (f) Each facility/unit must have eighty percent (80%) agreement of the full-time and part-time employees who work in the facility/unit.
- (g) The Four on, Two off schedule, may be discontinued by either party upon receipt of twelve (12) weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the discontinuation.

The Four on, Two off schedule, may be discontinued by the Union in any facility/unit when sixty percent (60%) of the employees in the facility/unit so indicate by secret ballot to the Union.

15.11 Job Sharing/Time Sharing

- (a) Job sharing shall be interpreted to mean two employees sharing one full-time position (10 shifts bi-weekly).
- (b) Time sharing shall be interpreted to mean two employees sharing one full line (14 shifts bi-weekly).

Clarifying Note: One full-time and a regular part-time “shadow” does not constitute a time-sharing arrangement.

- (c) The introduction of job/time sharing arrangements in a Home will be subject to mutual agreement between the Union and the Employer.

Job/time sharing requests shall be considered on an individual basis. Such approval will not be unreasonably withheld.

- (d) The employees involved in job share/time sharing are entitled to all the regular part-time provisions except those which are modified as follows:
 - i) Schedules and scheduling language shall be established by the mutual agreement of the Union and the Home. This will include the division of hours between the job/time sharers.
 - ii) Each job/time sharer may exchange shifts with their partner as well as other employees as provided by the Collective Agreement.

Employees who are currently in a job/time sharing arrangement and are full-time will retain that status and be covered by the full-time provisions of the Collective Agreement. For clarity, this grandparent's employees in time sharing arrangements, not positions. When individuals leave these positions, the vacant position will be posted under (f) and (g) below.

- (e) Absences and Leaves

In the event that one member of the job/time sharing arrangement is off due to illness or injury or goes on any other leave of absence, the remaining partner will endeavour to cover all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the absences, they must inform the Director of Resident Care or designate.

- (f) Implementation

- i) Where the job/time sharing arrangement arises out of the filling of a vacant full-time position, the full-time position will be posted first and in the event that there are no successful

applicants, then both job/time sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

- ii) An incumbent full-time employee wishing to share their position may do so without having their half of the position posted. The other half of the job/time sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- iii) It is understood and agreed that the arrangement is for a trial period of six (6) months for the full-time employee originating the request. Once the trial period is over, the employee cannot revert to their former position except under (v) below.
- iv) Where two (2) full-time employees wish to job/time share one (1) position, neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the Collective Agreement.
- v) If one of the job/time sharers leaves the arrangement, their position will be posted. If there is no successful applicant to the position, the remaining employee will revert to their former status. If the remaining employee was previously full-time, the shared position will become their position. If the remaining employee was previously part-time and there is no part-time position available, they shall exercise their layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(g) Discontinuation

Either party may discontinue the job/time sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

The shared position would then revert to a full-time position and be posted according to the Collective Agreement. Should the Employer or the Union discontinue job/time sharing, the employees currently working those arrangements will revert to their former status.

Where an employee does not have a former position to return to, the layoff and recall provisions of the Collective Agreement will apply. Where there remains a vacancy after employees revert to their former position, the vacancy will be posted in accordance with the Collective Agreement.

15.12 Weekend Worker

A weekend schedule may be developed in order to meet the Home's need for weekend staff, and individual employees' preference for a weekend work schedule.

A weekend schedule is defined as a schedule in which a full-time weekend worker works a weekly average of thirty (30) hours and is paid for 37.5 hours at their regular straight time hourly rate. The schedule must include two 11.25-hour tours, which fall within a weekend period as determined by the Home and the Union. An employee working a weekend schedule will work every weekend except as provided for in the provisions below.

The Employer and the Union may agree to implement weekend worker position(s) if sixty-six and two thirds' percent ($66\frac{2}{3}\%$) of the full-time and part-time employees who work in the facility/unit are in agreement. The introduction of that schedule and the manner in which the position(s) are filled, shall be determined by the local parties. This schedule may be discontinued by either party with notice as determined by the local parties. The opportunity for an individual employee to discontinue this schedule shall be resolved by the local parties.

Notwithstanding the voting mechanism above, a three (3) month trial period (or longer period, where agreed by the Home and the Union) for a weekend worker arrangement may be implemented without a vote in circumstances where the following additional conditions apply:

- An RN (or RNs) volunteers or applies for a weekend worker position and the Home and the Union agrees to accept the request.
- The work schedule will be modified to accommodate such a request provided there is no reduction in the regularly scheduled hours of the other RNs in the bargaining unit.
- Prior to the conclusion of the trial period, representatives of the Home and of the Union will evaluate and discuss the outcomes.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of $66\frac{2}{3}\%$ agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (a) Weekend and shift premiums shall not be paid.

(b) Vacation Bank

Vacation entitlement is determined by Article 13. For the purposes of Article 13, hours worked or credited as paid leave will be based on an accelerated rate of 1.25 hours credit for each hour worked. Mechanism for the vacation bank is determined by current local practices.

Drawing from the vacation bank will occur at an accelerated rate of 1.25 paid hours for every hour taken as vacation (i.e., 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

Vacation must be taken as a full weekend off (i.e., Saturday and Sunday). The maximum number of weekends off cannot exceed the week entitlement level determined by Article 13.

Single vacation days may be taken on weekdays, which need not be in conjunction with the Saturday and Sunday. Vacation – Interruption does not apply.

(c) Paid Holiday Bank

Employees qualify in accordance with the Collective Agreement. The paid holidays are identified in the Collective Agreement.

Credit to the paid holiday bank will occur on the date of the holiday.

Drawing from the paid holiday bank will occur at an accelerated rate of 1.25 hours paid for every hour taken (i.e., 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

If an employee works on a paid holiday as defined by the local parties, they will receive one and one-half (1½) times their regular straight time hourly rate of pay for all hours worked on a holiday. The employee will not receive a lieu day. Article 16.02 also applies.

The holiday bank can be used as income replacement for absences due to illness or for lieu time off on a weekday.

(d) Sick Leave

The employee is eligible for long term disability benefits if provided for in the Collective Agreement. An employee will not receive pay for the first week of any period of absence due to a legitimate illness. The employee may utilize the paid holiday bank as income replacement for absences due to illness, as described in Article (c) above. An employee who is eligible may apply for Employment Insurance for weeks two (2) through sixteen (16) for any absence due to a legitimate illness. The Home will provide the employee with

Disability Income Protection as per Article 14.01 (c) for weeks seventeen (17) through thirty (30) for any absence due to a legitimate illness.

Employees may be required to provide medical proof of illness for any absence of a scheduled shift, which is neither vacation nor an approved leave of absence.

(e) Leaves of Absence

Article 11 applies for both paid and unpaid leaves. For the purposes of an unpaid 11.25-hour shift, the deduction from pay shall equate to 14.05 hours. For the purposes of an unpaid 7.5-hour shift, the deduction from pay shall equate to 9.375 hours.

(f) Tour Exchange

Weekend shift exchanges will be permitted only between weekend shift employees. Weekday shift exchanges will be permitted, provided the Home does not incur additional costs.

In all instances of tour exchange, the tour must be of the same duration.

(g) Overtime

Overtime will begin to accrue after sixty (60) hours in a two (2) week period averaged over the scheduling period determined by the local parties.

Overtime will apply if the employee works in excess of the normal daily hours.

Payment for overtime is as in Article 16.01.

(h) Scheduling Provisions

The scheduling and premium provisions relating to consecutive weekends off in Article 16 do not apply to employees who accept positions under this provision.

(i) Christmas Period

Article 16 relating to scheduling during this period will apply, except as modified to confirm that the weekend shift employee will continue to work weekends during this period.

(j) When a part-time employee works on a weekend normally worked by a weekend worker, all of the provisions of the Collective Agreement except 15.12 will apply.

15.13 Self-Scheduling

The Home and the Union may agree to implement a self-scheduling process. Self-scheduling is the mechanism by which employees in a Home create their own work schedules. The purpose of self-scheduling is to improve job satisfaction and quality of work life for the participating employees. Self-scheduling requires a collaboration of employees and management to ensure proper coverage of the Home and to meet the provisions of the Collective Agreement. It is agreed that self-scheduling will be negotiated locally by the Home and the Union and will include a trial period.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

15.14 *For vacation scheduling purposes only, in accordance with Article 15, regular part-time employees will indicate their availability to replace full-time and regular part-time employees at the time of vacation planning as per Article 13. The Employer may pre-book regular part-time employees based on their availability. Where no regular part-time employees are available, the Employer may pre-book casual part-time based on their availability.*

- 15.15**
- (a) *There will be an interval of not less than fifteen and one-half (15½) hours off between scheduled shifts unless the employee specifically requests otherwise, provided that this would not apply to extended tours or daylight savings changeover.*
 - (b) *Full-time employees will not be scheduled to rotate over more than two different shifts during a week.*
 - (c) *At least forty-eight (48) hours' time shall be scheduled off following night duty. A shorter period of time between changes of shift may be agreed upon by mutual consent.*

15.16 *The Employer agrees not to change the shift of duty for presently employed Nurses working on permanent shifts except by mutual agreement.*

15.17 *Requests for specific days off shall be submitted in writing to the Director of Resident Care two (2) weeks prior to the posting of the schedule. Approval for such requests will be at the discretion of the Director of Resident Care and will not be unreasonably denied.*

15.18 (a) *The day shift shall be the first shift of the day.*

- (b) The standard day for all employees covered by this Agreement shall be defined as a twenty-four (24) hour period beginning at:**

**0700 - 1500 Day Shift
1500 - 2300 Evening Shift
2300 - 0700 Night Shift**

- 15.19 Work schedules to be posted two (2) weeks in advance to cover a six (6) week period.**
- 15.20 During each bi-weekly pay period there shall be four (4) days off of which two (2) shall be scheduled as consecutive days off. The Employer will endeavour to provide schedules of not more than six (6) consecutive days. In any event, schedules will not provide for more than seven (7) consecutive days.**
- 15.21 (a) Where overtime shifts become available, such shifts shall be offered first to full-time employees on the basis of seniority, then regular part-time employees on the basis of seniority and then to casual part-time employees on the basis of seniority.**
- (b) Any additional shifts shall be offered based on the regular part-time employee's seniority at straight time rate of pay before any casual part-time employees are utilized. Where no regular part-time employee is willing to perform the available work, casual part-time employees will then be offered such work on the basis of seniority.**

ARTICLE 16 – PREMIUM & OTHER PAYMENT

- 16.01 Overtime shall be paid for all paid hours over seven and one-half (7½) hours on a shift or seventy-five (75) hours bi-weekly at the rate of one and one-half (1½) times the employee's regular straight time hourly rate of pay. Overtime is subject to authorization by the Director of Nursing or designate. Authorization shall not be unreasonably withheld. In the event of an emergency, authorization may not be required.**
- 16.02 When an employee is required to work on a paid holiday or on a day for which they are entitled to receive time and one-half (1½) their regular straight time hourly rate and they are required to work additional hours in excess of their normal seven and one-half (7½) hour shift on that day, they shall receive two (2) times their regular straight time hourly rate for such additional hours worked.**
- 16.03 If an employee reports for work at the regularly scheduled time and no work is available, such employee will be paid a minimum of four (4) hours pay at their regular straight time hourly rate, provided the employee has not previously received notification orally or in writing not to report.**

- 16.04 Where call-in is requested within one-half ($\frac{1}{2}$) hour of the starting time of the shift and the employee commences work within one (1) hour of the call, then the employee will be paid as if the entire shift had been worked, provided they complete the shift for which they were called in.
- 16.05 It shall be the responsibility of the employee to consult the posted work schedule. Changes to the posted schedule required by the Employer shall be brought to the attention of the employee. Where less than twenty-four (24) hours' notice is given to the employee personally, the employee will be paid four (4) hours' straight time wages or six (6) hours' straight time wages if an extended tour. It is understood that call-ins or call-backs are not covered by this provision.
- 16.06 If an employee works two consecutive shifts, they shall be provided a meal by the Home, or if a meal cannot be provided, they shall receive a meal allowance of ten dollars (\$10.00).
- 16.07 Shift and Weekend Premium
- (a) An employee shall be paid a shift premium of one dollar and twenty cents (\$1.20) per hour for each hour worked between the hours of **1500 and 0700 hours** – not to exceed a 16-hour time period.
 - (b) An employee shall be paid a weekend premium of one dollar and thirty-five cents (\$1.35) per hour for each hour worked between 2300 hours Friday and 2300 hours Sunday, or such other forty-eight (48) hour period as the local parties may agree upon or as defined in the Collective Agreement. If an employee is receiving premium pay pursuant to a local scheduling regulation with respect to consecutive weekends worked, the employee will not receive weekend premium under this provision.
- 16.08 Standby and Call In
- (a) An employee who is required to remain available for duty on standby outside their regularly scheduled working hours shall receive standby pay in the amount of three dollars and forty-five cents (\$3.45) per hour for the period of standby scheduled by the Home. Where such standby duty falls on a weekend or paid holiday, the employee shall receive standby pay in the amount of five dollars and five cents (\$5.05) per hour. Standby pay shall, however, cease where the employee is called in to work.
 - (b) When an employee is required to work (in circumstances where the employee is on standby or where Employer asserts that the employee is not allowed to decline attendance) outside of regular hours, the minimum payment will be equivalent to four (4) hours work or time and one-half ($1\frac{1}{2}$) their applicable hourly rate for hours worked, whichever is greater. Where the hours worked are continuous with the commencement of their regular shift, the

minimum payment will not apply, and they will receive payment at the rate of time and one-half (1½) for the hours worked prior to the commencement of their regular shift.

- (c) Where the employee is required to be on-standby outside their regular hours of work, they shall receive the on-call premium in accordance with Article 16.08 (a). When the employee's response to telephone calls from the Home does not necessitate travel, they shall be paid one and one-half times the regular hourly rate for a minimum of thirty (30) minutes or for the duration of the call (whichever is the more advantageous). The employee shall keep a log of all calls and submit it to the Director of Care or designate. The employee cannot receive pay for other calls received during the same thirty (30) minute period. However, if the employee must return to the Home, they shall be paid in accordance with 16.08 (b).

16.09 (a) If an employee is required by the Employer to work a weekend in violation of the weekends off scheduling obligations of the Collective Agreement (if any), they will receive premium payment of time and one-half (1½) for all hours worked on that weekend. Time worked on that weekend will not be considered when determining future such premium obligations.

- (b) Premium pay is payable whenever a weekend is worked in excess of the consecutive weekends permitted by the Collective Agreement unless the assignment of the weekend shift to the employee was initiated by that employee or unless another provision of the agreement makes it clear that premium pay is not due.

16.10 The Employer is not required by the seniority scheduling provisions of the Collective Agreement (if any) to assign work to senior employees that triggers premium pay. In the event that any such assignment would trigger premium pay and the Employer chooses to assign the shift to an employee, the seniority scheduling provisions (if any) shall apply.

This provision is applicable to all of Articles 15 and 16 except for 16.02.

16.11 Overtime premium will not be duplicated for the same hours worked under Article 15 nor shall any shift or weekend premium or responsibility allowance be included in the straight time hourly rate for compounding purposes for hours payable at time and one half. It is expressly agreed that where the employee qualifies for two or more of the following payments: time and one half, shift premium, weekend premium [subject to the limitation in 16.07 (b)] and responsibility allowance, this is not considered pyramiding and each of the applicable payments is payable.

16.12 An employee shall have the option of selecting compensating time off in lieu of overtime premium payment. Time off shall be at the appropriate premium rate (i.e., 1.5 hours off for each hour of premium overtime worked). Employees may accumulate and bank up to a maximum of two (2) lieu days

at any time. Accumulated lieu days shall not be used for the purpose of extending vacation. Unless the Employer agrees otherwise, accumulated lieu time must be taken between January 6th and November 30th of the year in which it is accumulated failing which it will be paid out. Employees who wish to utilize a lieu day shall make their request in writing at least two weeks in advance of the next posting of the schedule. The scheduling of lieu days shall be finally determined by the Employer giving due consideration for the safe and efficient operation of the Home. Such requests shall not be unreasonably denied.

16.13 *A weekend off shall be defined as at least fifty-six (56) consecutive hours off duty commencing at the conclusion of the employee's scheduled shift on the Friday immediately preceding. Where the employee is not scheduled to work on Friday the fifty-six (56) hours will begin at the conclusion of the first Friday shift.*

16.14 *Employees shall be entitled to receive every second weekend off, unless mutually agreed otherwise.*

16.15 *The Employer will schedule each employee five (5) consecutive days off at either Christmas or New Year's on an alternating basis from year to year.*

In the event that employees can be granted both Christmas and New Year's Day off the most senior employee, on a rotating basis, who has requested these days off shall be given the opportunity to take both off.

For those employees who have been granted time off at Christmas, the Employer will endeavour to provide Christmas Eve, Christmas Day and Boxing Day off. For those employees who have been granted time off at New Year's, the Employer will endeavour to provide New Year's Eve and New Year's Day off.

In the event of conflict, bargaining unit seniority shall be the decisive factor. Written requests for this time off must be received by the Director of Resident Care by November 1. Christmas and New Years' time off shall be posted by November 15.

Regular scheduling may be waived from the 15 of December to the 15 of January in order to accommodate the employees during this period.

At the request of the employee, the five (5) consecutive days off may be scheduled during the period of December 15 to January 15 to facilitate their cultural differences replacing the days off noted above.

16.16 *Where there is a violation of the scheduling provisions (if any) pertaining to consecutive days of work or time off between shifts, the Employer will pay the employee premium pay of one and one-half*

times their regular straight time hourly rate for all hours worked for the following tour of duty subject to Article 16.02.

- 17.01 (d) Dental
- \$0.443 per hour in lieu of weekly indemnity benefits and life insurance

17.03 The Employer shall provide to each person a copy of the current information booklets for those benefits provided under this Article. The Union shall be provided with a current copy of the Master Policy. It is clearly understood that the Employer's obligation pursuant to this Collective Agreement is to provide the insurance coverage bargained for. Any problem with respect to

the insurer acknowledging or honouring any claims is a matter as between the employee and the insurer. The Employer will notify the Union if it intends to change the Insurance Carrier.

Any grievance arising from the interpretation, application and/or administration of the health and welfare benefits shall be resolved as follows:

- (a) The Union or Employer shall file a written grievance within ten (10) days of its learning that an alleged problem exists. For insured benefits, a copy of the grievance shall be forwarded to the insurers.
- (b) Within ten (10) days of filing a grievance, the parties shall meet with a view to resolving the grievance.
- (c) If the grievance is not resolved, as aforesaid, or if the parties fail to meet within the time limited, then the grievance shall be referred to a single arbitrator to be selected alternately from the list of arbitrators hereinafter provided.
- (d) The arbitrator shall, in their discretion, determine the most expeditious manner of resolving the dispute consistent with affording each party a reasonable opportunity to present its case. The arbitrator may dispense with an oral hearing; receive only written submissions; hear evidence or submissions by conference call; receive evidence by affidavit and/or take such other steps as may be in their opinion appropriate.
- (e) The arbitrator may in their discretion attempt to assist the parties in settling the dispute.
- (f) The arbitrator for this process shall be Randi Abramsky and Chris White.

If additional arbitrators are necessary, Norm Jesin shall remain seized to appoint these, if the parties are unable to agree.

- (g) The arbitrator shall render a decision with ten (10) days of completion of the hearing. Written reasons are not required. Oral decisions confirmed in writing may be given.
- (h) The fees and expenses of the arbitrator shall be shared equally by the Employer and the Union in cases where the benefit is self-insured and by the insurers and the Union where the benefit is insured.
- (i) This process shall commence immediately for all self-insured benefits. Upon the expiry of any contracts of insurance for benefits, this process shall then apply to insured benefits. It is the responsibility of the Employer to obtain insurance which includes an agreement by the insurer to be bound by the process. If the Employer

fails to obtain the agreement of an insurer, the grievance shall proceed as though it is a self-insured benefit.

- (j) The parties agree that the decision of an arbitrator hereunder shall be final and binding and shall not be appealed or judicially reviewed by either party. The purpose of waiving any appeal rights or rights of judicial review is to avoid the cost and expense associated with the exercise of these rights.
- (k) The decision of the arbitrator shall not have any value as a precedent in a subsequent case.
- (l) If in the opinion of any party a grievance raises an issue which should be decided by the form of grievance arbitration provided by the Collective Agreement for all other grievances, upon the consent of all parties or if such consent is not forthcoming, with the approval of Norm Jesin, such approval to be obtained by a conference call, the grievance shall be transferred to the ordinary grievance/arbitration process.

- 17.04 The Employer may substitute another carrier for any of the foregoing plans (other than O.H.I.P.) provided that the level of benefits conferred thereby are not decreased. The Employer will advise the Union of any change in carrier or underwriter at least sixty (60) days prior to implementing a change in carrier.
- 17.05 The Employer agrees, during the term of the Collective Agreement, to contribute on behalf of participating eligible full-time employees who have completed three (3) months of employment in the active employ of the Employer towards the premium coverage under the insurance plans set out above subject to their respective terms and conditions including any enrolment requirements. Should any plan have a longer service qualifier it shall be removed as soon as the plan is up for modification or renewal.
- 17.06 In the event of a layoff, provided the employee deposits with the Home their share of insured benefits for the succeeding month (save for weekly indemnity for which laid off employee are not eligible) the Employer shall pay its share of the insured benefits premium for a period of up to three (3) months from the end of the month in which the layoff occurs, or until the laid off employee is employed elsewhere, whichever comes first.

ARTICLE 18 – RETIREMENT INCOME PLAN

18.01 The Nursing Homes and Related Industries Pension Plan

In this Article, the terms used shall have the meanings as described:

“Plan” means the Nursing Homes and Related Industries Pension Plan, being a multi-employer plan.

“Applicable Wages” means the basic straight time wages for all hours worked, including:

- (a) The straight time component of hours worked on a holiday.
- (b) Holiday pay, for the hours not worked.
- (c) Vacation pay.
- (d) Paid Union leaves.

All other payments, premiums, allowances etc. are excluded.

“Eligible Employee” means full-time and part-time (includes casual) employees in the bargaining unit who have completed four hundred and fifty (450) hours of service and who are not prohibited from contributing to the Plan by legislation or the Plan rules because of their age or because they are in receipt of a pension from the Plan.

- 18.02 Each Eligible Employee covered by this Collective Agreement shall contribute from each pay period an amount equal to four percent (4%) of applicable wages to the Plan. The Employer shall match such contributions, the amount being four percent (4%) of applicable wages.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

- 18.03 The employee and Employer contributions shall be remitted to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.

- 18.04 The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the Plan or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize

methods to relieve the Employer of this increased obligation to the extent that any such obligation exceeds that which the Employer would have if the Plan were a defined contribution plan.

- 18.05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the *Pension Benefits Act, R.S.O. 1990, Ch P-8*, as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

Kevin Burkett will contact the Employer, who will respond within seven (7) days. If no resolve, Kevin Burkett will convene a hearing to determine the matter within thirty (30) days.

18.07 Where legislation or the Plan prohibits an employee from contributing to a pension plan because of age, an amount equivalent to the deductions in Article 18.02 will be paid to the employee on their regular pay.

ARTICLE 19 – PROFESSIONAL RESPONSIBILITY (Applies to RNs Only)

19.01 The parties agree that resident care is enhanced if issues relating to professional responsibility and workload issues are resolved in a timely and effective manner, as set out below.

In the event that the Home assigns a number of residents or a workload to an individual employee or group of employees, such that they have cause to believe that they are being asked to perform more work than is consistent with proper resident care, they shall:

- (a) i) At the time the workload issue occurs, discuss the issue within the Home to develop strategies to meet resident care needs using current resources.

If necessary, using established lines of communication, seek immediate assistance from an individual(s) identified by the Home who has responsibility for timely resolution of workload issues.

- ii) Failing resolution at the time of occurrence of the workload issue, complain in writing to the Union-Management Committee within twenty (20) calendar days of the alleged

The Union-Management Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties.

The Employer will provide a written response to the Union, with a copy to the ONA representation within ten (10) calendar days.

- iii) Prior to the complaint being forwarded to the Independent Assessment Committee, the Union may forward a written report outlining the complaint and recommendations to the Director of Resident Care and/or the Administrator.
- iv) At any time during this process, the parties may agree to the use of a mediator to assist in the resolution of the Professional Practice issues.
- v) Any settlement arrived at under 19.01 (a) i) – iii) shall be signed by the parties.
- vi) Failing resolution of the complaint within twenty (20) calendar days of the meeting of the Union-Management Committee, the complaint shall be forwarded to an independent Assessment Committee composed of three (3) registered nurses; one chosen by the Ontario Nurses' Association, one chosen by the Home, and one chosen from a panel of independent registered nurses who are well respected within the profession. The member of the Committee chosen from the panel of independent registered nurses shall act as Chairperson.
- vii) The Independent Assessment Committee shall set a date to conduct a hearing into the complaint, within twenty (20) calendar days of its appointment and shall be empowered to investigate as is necessary to properly assess the merits of the complaint. The Independent Assessment Committee shall report its findings, in writing, to the parties within twenty (20) calendar days following completion of its hearing.

NOTE: It is understood and agreed that the provisions of Article 4.01 have application to conduct pursuant to this provision.

- (b) i) The list of Independent Assessment Committee Chairpersons is attached as Appendix B. During the term of this Agreement, the provincial parties shall meet as necessary to review and amend by agreement the list of Chairs of Independent Assessment Committees.

The members of the panel shall sit in rotation as agreed by the parties. If a panel member is unable to sit within the time limit stipulated, the panel member next scheduled to sit will be appointed by the parties.

- ii) Each party will bear the cost of its own nominee, and will share equally the fee of the Chairperson, and whatever other expenses are incurred by the Independent Assessment Committee in the performance of its responsibilities as set out herein.

The parties agree that should agreement not be reached on the list of Chairpersons, that any dispute may be referred via an expedited route to Arbitrator John Stout for resolution of the dispute and naming of a Chairperson for the Independent Assessment Committee.

- (c) i) Time limits fixed in this process may be extended only by written, mutual consent of the parties.
- ii) In all steps of this process, either party may be accompanied by or represented by their Union or Employer representative.

- 19.02 (a) Employees are expected, as part of their regular duties, to provide leadership, supervision, guidance and advice to members of the health care team. The parties agree that discipline of all bargaining unit and non-bargaining unit employees of the Home is the responsibility of management. Nothing in this clause amends, modifies or clarifies any interpretation under Article 2.01, nor does it prejudice the employees' continued membership in the bargaining unit or the employee's entitlement to qualify and receive benefits under Article 22.06.
- (b) Nurses may be required, as part of their regular duties, to supervise activities of nurses working with a temporary certificate of registration in accordance with the current College of Nurses of Ontario *Standards*. .19.03 CMI/RAI MDS Report

Recognizing the mutual objective of quality resident care, the Employer agrees to meet through the Union Management Committee with the Union as soon as practicable after the receipt of the annual CMI/RAI MDS report. The Employer agrees to provide the Union with staffing levels and staffing mix information; the impact of related payroll costs on staffing levels and a written notice of the CMI/RAI MDS report for the facility.

The purpose of this meeting is to discuss the impact of the CMI/RAI MDS report on the staffing levels in the Home, quality resident care, and provide the Union with an opportunity to make representation in that regard.

The parties shall meet as necessary to discuss other changes or workload issues.

The parties may invite additional participants to attend the meeting to support constructive review and discussion.

ARTICLE 20 – ORIENTATION AND IN SERVICE

- 20.01 An orientation and in service program will be provided to all employees. These programs shall be reviewed and discussed from time to time by members of the Union-Management Committee.
- 20.02 A newly employed employee shall not be placed in charge, until they have been fully oriented to the Home.
- 20.03 The following minimums shall be observed in the orientation/familiarization of a newly hired employee:
 - (a) They are to be familiarized with the physical aspects of the building, the applicable policies and procedures of the Employer, and the daily routine of employees in the Home.
 - (b) The period of orientation/familiarization shall be for a minimum of five (5) days or such greater period that the Employer deems necessary.
 - (c) They shall be an additional employee to the usual staffing pattern.
 - (d) The employee or employees involved in the orientation/familiarization will confirm that it has been completed, and this will be noted on the newly hired employee's personnel file, which will be reviewed with such employee, and the employee shall also be able to comment.
 - (e) The employee may request up to three (3) additional days of paid orientation. When making their request, the employee will specify their learning needs and discuss with the Director of Care the development of the orientation learning plan. This request will not be unreasonably denied.
 - (f) Notwithstanding the above, orientation/familiarization when an employee is transferred to a new unit/shift will be provided as required.
 - (g) The Employer may, at its discretion, provide orientation in other circumstances.

- 20.04 Both the Employer and the Union recognize the joint responsibility and commitment to provide, and participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Employer will endeavour to provide programmes related to the requirements of the Home.

Programmes will be publicized, and related material will be made readily accessible to staff in a timely manner.

Any problems in accessing this information will be reported to the Union-Management Committee for resolution.

- 20.05 (a) When an employee is required by the Employer to attend any in-service program or e-learning within the Home during their regularly scheduled working hours the employee shall suffer no loss of regular pay.

- (b) When an employee is required by the Employer to prepare for in service or to attend meetings, in service and other work-related functions outside their regularly scheduled working hours, and the employee does attend same, they shall be paid for all time spent on such attendance at their regular straight time hourly rate of pay or at the employee's option, they shall receive equivalent time off.

When an employee is required by the Employer to complete an e-learning programme outside their regularly scheduled working hours, they shall be paid for all time spent completing such learning at their regular straight time hourly rate of pay or at the employee's option, they shall receive equivalent time off.

Part-time employees will be credited with seniority and service for all such hours paid as provided above while in attendance at in-services, meetings, and completing e-learning.

- (c) The Employer will endeavour where practical to schedule in-services at times which will facilitate the attendance of employees working outside the day shift.

- 20.06 When required by a certifying body to update an employee's qualifications, except where this matter is covered by another provision of the Collective Agreement, the Employer shall grant leave of absence without pay which shall include the time required to write any examinations.

- 20.07 The Employer undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Employer has decided to introduce which will significantly change the employment status of the employee(s) within the bargaining unit.

The Employer agrees to discuss with the Union the effect of such technological changes on the employment status of the employee(s) and to

consider practical ways and means of minimizing the adverse effect, if any, on the employee(s) concerned.

Employees who are subject to layoff due to technological change will then be given notice of such layoff at the earliest reasonable time and in keeping with the requirements of the applicable legislation and the provisions of Article 9.11 to 9.16 will apply.

20.08 Provided that an employee provides thirty (30) calendar days' notice in writing, an employee shall be entitled to leave of absence without pay from their regularly scheduled working hours for the purpose of writing exams arising out of the Quality Assurance Program required by the College of Nurses of Ontario. In the event the employee is scheduled to work the night shift immediately before the exams the Employer shall schedule the employee off.

20.09 The Employer will meet with the Union to discuss any remediation or continuing education required by the College of Nurses of Ontario (CNO) to re-establish eligibility for clinical practice following an employee's return from an approved absence.

20.10 Liability Insurance

Should an employee, who is a Health Professional under the *Regulated Health Professions Act*, be required to provide their Regulatory College with proof of the Employer's liability insurance, the Employer, upon request from the employee, will provide the employee with a letter outlining the Home's liability coverage for Health Professionals in the Home's employ.

It is understood and agreed that the provision of the above noted letter in no way obligates the Employer to amend, alter or augment existing insurance coverage or to obtain or maintain insurance coverage beyond what is required by applicable LTC legislation or regulation.

ARTICLE 21 – MISCELLANEOUS

21.01 A copy of this agreement in a mutually agreed form will be issued to each employee now employed and as employed. The cost of printing this agreement, including the printing of the French Translation, shall be equally shared between the Union and the Employer. The cost of the French translation for the template will be shared equally by the Union and the Participating Homes, to a maximum of five hundred dollars (\$500) each. The parties agree that the English version of the template is the official version.

21.02 Each employee shall keep the Employer informed of changes to relevant employment information.

21.03 The Employer shall upon entry into the Service Agreement or the Long-Term Care Service Accountability Agreement (L-SAA) with the Ministry of Health and Long-Term Care or the Local Health Integration Network (LHIN) in respect of residents cared for by members of this bargaining unit and provide copies of such agreements to the Union.

21.04 (a) Influenza Vaccine

Upon recommendation of the Medical Officer of Health, all employees shall be required, on an annual basis to be vaccinated and or to take antiviral medication for influenza. If the costs of such medication are not covered by some other sources, the Employer will pay the cost for such medication.

If the employee fails to take the required medication, they may be placed on an unpaid leave of absence during any influenza outbreak in the Home until such time as the employee has been cleared by the public health or the Employer to return to the work environment. The only exception to this would be employees for whom taking the medication will result in the employee being physically ill to the extent that they cannot attend work. Upon written direction from the employee's physician of such medical condition in consultation with the Employer's physician, (if requested), the employee will be permitted to access their sick bank, if any, during any outbreak period. If there is a dispute between the physicians, the employee will be placed on unpaid leave.

If the employee gets sick as a reaction to the drug and applies for WSIB the Employer will not oppose the application.

If an employee is pregnant and their physician believes the pregnancy could be in jeopardy as a result of the influenza inoculation and/or the antiviral medication, they shall be eligible for sick leave in circumstances where they are not allowed to attend at work as a result of an outbreak.

This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

(b) Vaccination

Upon recommendation of the Medical Officer of Health (or other Government), all employees may be required to be vaccinated (or meet the recommendations or requirements of the Government Body) and or to take medication if available. If the costs of such medication are not covered by other sources, the Employer will pay the cost for such medication.

If the employee fails to take the required vaccination (or meet the recommendations or requirements of the Government Body) or take

the medication, they may be placed on an unpaid leave of absence in the Home until such time as the employee has been cleared by the public health or the Employer to return to the work environment. The only exception to this would be employees for whom taking the medication will result in the employee being physically ill to the extent that they cannot attend work. Upon written direction from the employee's health care provider of such medical condition in consultation with the Employer's physician, (if requested), the employee will be permitted to access their sick leave. If there is a dispute between the health care providers, the employee will be placed on unpaid leave.

If the employee gets sick as a reaction to the drug and applies for WSIB, the Employer will not oppose the application.

If an employee is pregnant and their health care provider believes the pregnancy could be in jeopardy as a result of medication, they shall be eligible for sick leave in circumstances where they are not allowed to attend at work.

This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

21.05 Prior to effecting any changes in rules or policies which affect employees covered by this Agreement, the Employer will endeavour to discuss the changes with the Union and will provide copies to the Union, upon request.

21.06 Criminal reference checks for employees that may be required by the Employer pursuant to provincial legislation will be paid by the Employer. It is understood that this provision does not apply to pre-employment criminal reference checks, and that any employee subsequently hired would not be eligible for reimbursement for any related costs.

21.07 Within fourteen (14) days of receipt of a written request from the employee, during employment, the Home will provide the employee with a letter detailing their employment dates, length of service (including total hours worked, available as of the date of the request) and experience at the Home.

The Employer will provide to each employee, upon request, upon termination of employment a letter detailing their employment dates, length of service, including total hours worked, and experience.

21.08 Errors on Paycheques

In the event of an error on an employee's pay, the correction will be made in the pay period following the date on which the underpayment comes to the Employer's attention.

If the error results in an employee being underpaid by three and one-quarter (3.25) hours or more, the Employer will provide payment for the shortfall within three (3) business days from the date it is notified of the error.

If the Employer makes an overpayment of a day's pay or less for an employee, the overpayment will be deducted on the pay period following the date that the error is discovered. If the error is in excess of a normal day's pay, the Employer will be reimbursed based on a mutually satisfactory arrangement between the employee and the Employer.

21.09 Where the Home provides electronic pay statements and/or T4 slips, the Home will provide accessibility to a computer and printer, or a hard copy.

21.10 The Home, as a good labour relations practice, will notify the nurse when it reports them to the College of Nurses of Ontario and refer them to the Union as a resource.

It is understood that the requirement to notify the nurse when the Home reports them to the College of Nurses of Ontario has no bearing on the Home's right to reprimand or discipline a nurse for just cause. Under no circumstances will a failure or untimely notification provide grounds to nullify any right to reprimand or discipline a nurse.

21.11 *The Employer shall provide to the Union individual bulletin board space in such place so as to inform all employees in the bargaining unit of the activities of the Union*

21.12 *Pay stubs are to be issued every second (2nd) Friday with a clarified, itemized statement of all deductions. Employees leaving the employ of the Employer shall be paid all outstanding monies as above, on the next regularly scheduled pay date.*

21.13 *The Home shall continue to provide parking for the employees without charge and subject to availability.*

ARTICLE 22 – COMPENSATION

22.01 The salary rates shall be those set forth in schedule(s) attached to and forming part of this agreement.

22.02 Retroactivity

Except as expressly noted, all the terms and conditions shall be effective from the date of receipt of written notice of ratification or release of award. Provisions which are expressly made retroactive shall apply to all employees in the bargaining unit on or after the date specified.

Retroactivity will be paid within four full pay periods (approximately 8 weeks) of the date of ratification or arbitration award. Retroactivity will be on the

basis of hours paid. Retroactive pay will be paid on a separate cheque where the existing payroll system allows. Where the existing payroll system does not allow for such separate cheque, the Home may pay retroactivity as part of the regular pay. In such circumstances, the Home undertakes that the rate of income tax on the retroactivity will not change unless the retroactive pay changes the employee's annual tax bracket.

The Home will contact former employees at their last known address on record with the Home, with a copy to the bargaining unit, within 30 days of the date of ratification or arbitration award to advise them of their entitlement to retroactivity.

Such employees will have a period of sixty (60) days from the date of the notice to claim such retroactivity and, if they fail to make a claim within the sixty (60) day period, their claim will be deemed to be abandoned.

22.03

Recognition of Previous Experience

- (a) The Employer will recognize recent related RN experience on the basis of one (1) annual increment for each one (1) year of service up to the maximum of the grid. Part-time service shall be recognized on the basis of fifteen hundred (1500) hours paid in previous employment equals one (1) year of service. It shall be the responsibility of a newly hired employee to make a claim of recent and related experience within the probationary period in order to be considered for a salary increment. If they fail to make a claim in the specified time period or fails to provide reasonable proof of recent related experience, they shall not be entitled to recognition.

NOTE: For greater clarity, recent related experience includes recent related RN experience out of province and out of country.

- (b) In addition to (a) above, where an RPN has acquired an RN certificate of registration and has accepted an RN position, the Employer will recognize recent related RPN experience on the basis of one (1) annual increment for each two (2) years of service up to a maximum of Year 3 of the wage grid. If they fail to make a claim in the specified time period or fails to provide reasonable proof of recent related experience, they shall not be entitled to recognition.

NOTE: For greater clarity, recent related experience includes recent related RPN experience out of province and out of country.

NOTE: This provision shall apply to all current employees at July 1, 2009 with the understanding that there is no retroactivity.

22.04 An annual increment shall be paid on each full-time employee's anniversary date of employment and after each fifteen hundred (1500) hours paid in the case of part-time employees.

22.05 When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed at Step No. 1 of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration, it being understood that an Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Home and duties and responsibilities involved.

Any change in the rate established by the Employer either through meetings with the Union or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

22.06 Responsibility Pay

(a) An employee who is designated in writing to relieve the Director of Care, shall be paid fifteen dollars (\$15.00) per shift for each shift so worked, in addition to their regular rate of pay.

Where a Home changes its schedule to 12-hour tours, this rate will be converted to twenty-two dollars and fifty cents (\$22.50) per shift (Refer to Articles 15.07, 15.09 & 15.12).

22.07 An employee who is promoted to a higher rated classification within the bargaining unit will be placed on the level of the salary schedule of the higher rated classification which represents an increase above their current salary. They shall retain their service review date for purposes of wage progression.

The parties agree to discuss this matter without undue delay following the Employer's initial request to meet.
5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the Collective Agreement. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.

Letter of Understanding Grievance Commissioner System

This is to confirm the discussion of the parties during collective bargaining that they are committed to encouraging early discussion and resolution of labour relations issues at the local level and seek to resolve grievances in a timely and cost-efficient manner.

To that end, this is to confirm that pursuant to Article 8, the parties agree that the Employer and Union at individual Homes may agree to utilize the following process in order to resolve a particular grievance through the utilization of a joint mediation-arbitration procedure:

1. The Employer and Union may mutually agree in writing to invoke the Grievance Commissioner process outlined in this letter rather than proceed to arbitration as set out in Article 8.12 of this Collective Agreement for an individual, group or policy/ Union grievance.
2. The Grievance Commissioner shall have the same powers and be subject to the same limitations as a Board of Arbitration hereunder, save and except as expressly provided herein.
3. The Grievance Commissioner shall be mutually agreed upon by the Employer and Union.
4. The Employer and Union agree to make best efforts to ensure that the Commissioner mediation-arbitration dates are set so that this process is initiated in a much more accelerated rate than the normal arbitration process. To that end the parties agree to meet provincially to discuss the possibility of a provincial Grievance Commissioner roster and pre-scheduled dates that can be mutually shared throughout the year.
5. The location of any such hearing shall be agreed upon by the local parties.

6. The parties shall provide the Grievance Commissioner with a Statement of Facts Agreed and Not Agreed. In addition, they shall provide the Grievance Commissioner and each other with brief written representations on which they intend to rely provided that such are emailed not less than ten (10) days before the commencement of the hearings of the Grievance Commissioner. This information will include the grievance and the Employer's response.
7. The purpose of the hearing is to clarify issues and/or facts in dispute. At the hearing the parties may make such further representations or adduce such evidence as the Grievance Commissioner may permit or require but the Grievance Commissioner shall not be obligated to conform to the rules of evidence.
8. The parties acknowledge that this is an expedited form of a med-arb process whereby the Grievance Commissioner, based on the evidence and representations provided by the parties during the med-arb session, will decide the grievance. The parties agree that no witnesses will be called throughout this process, except as required by the Grievance Commissioner. The Grievance Commissioner must render their written decision, without reasons, to both parties within ten (10) working days of the conclusion of the hearing.
9. If it becomes clear at any point during the process that due to exceptional circumstances the grievance is too complex for the Grievance Commissioner Process, the parties may jointly agree to revert to traditional arbitration pursuant to Article 8 of the Collective Agreement.
10. The decision of the Grievance Commissioner shall only be applicable to the case in question and shall not constitute a precedent nor be used by either party as a precedent in future cases.
11. Notwithstanding anything contained herein, the decision of the Grievance Commissioner shall be in accordance with Article 8.16.
12. The Union and Employer shall each be responsible for one-half (½) of the expenses (including any off-site location of the hearing) and fees payable to the Grievance Commissioner.
13. The parties agree that the Grievance Commissioner can serve as a mediator/ arbitrator for more than one grievance on a single day.

The parties agree that nothing in this letter prevents the parties at a Home from mutually agreeing to mediation for any other grievances pursuant to Article 8.19.
